

Star Wars (X-wing Fighter) Toy Catalog (1978)

STAR WARS™

ACTION FIGURES

Twelve exciting action figures all in authentic STAR WARS costumes. All have movable arms and legs designed for great action poses; and they fit in other STAR WARS action toys and spaceships. Figures 2¼" to 4¼" tall.

CHEWBACCA™

LUKE SKYWALKER™

ARTOO-DETOO™
(R2-D2)

PRINCESS
LEIA ORGANATM

HAN SOLO™

SEE-THREEPIO™
(C-3PO)

STORMTROOPER™

DARTH VADER™

BEN (OBI-WAN)
KENOBITM

JAWATM

SAND PEOPLE™

DEATH SQUAD
COMMANDER

STAR WARS™

TIE FIGHTER™

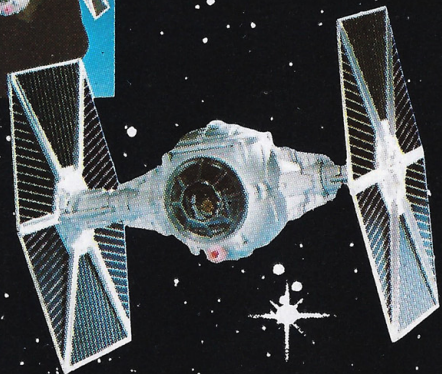

Authentically detailed. Special buttons release two "solar panels" to simulate "battle damage". Lever raises seat and escape hatch — seat Darth Vader™ or other STAR WARS figures. Red laser cannon lights up and makes a whining laser sound.

Batteries not included.
Action figure not included.

LAND SPEEDER™

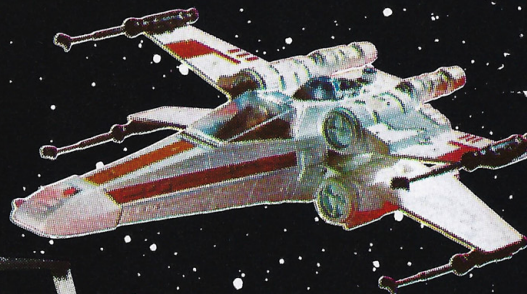

Special shift lever lowers the spring-loaded wheels for a "Floating Ride"! Open hood to find Turbo Reactor™ and Space Hatch storage compartment. Cockpit and rear deck seats up to four STAR WARS figures.
Figures not included.

X-WING FIGHTER™

Spacecraft is complete with flashing light, laser sound, landing skid . . . the X-Wings even open and close! Cockpit canopy opens to put Luke Skywalker™ or other STAR WARS action figures in the pilot seat!

Batteries not included.
Figures not included.

DEATH STAR™ SPACE STATION

Help Luke™, Ben™, Chewbacca™ and Han Solo™ rescue Princess Leia™ from Darth Vader™. Manual elevator takes figures to any of the four floors. Top floor has an exploding laser cannon, third floor contains a manually operated light bridge, second floor houses the control area and the first floor features the famous Trash Compactor — complete with removable garbage and Trash Monster! Over 22" tall.

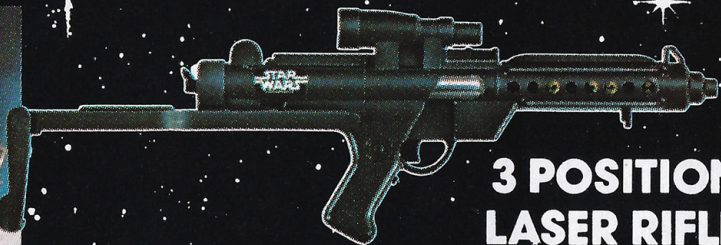

Figures not included. **Assembly Required**

STAR WARS™

LASER PISTOL™

Realistic replica of Han Solo's™ Laser Pistol™. "Secret" on/off button energizes gun's motor. Batteries not included.

3 POSITION LASER RIFLE™

Authentic Laser Look!

Folding Stock gives rifle 3 different looks. "Secret" button in handgrip energizes motor . . . trigger activates 2-speed laser sound. Batteries not included.

LIGHT SABER™

"Join the Force™" with the STAR WARS Light Saber™. Safe, inflatable "blade" lights up with the flick of a button. 35" long. Batteries not included.

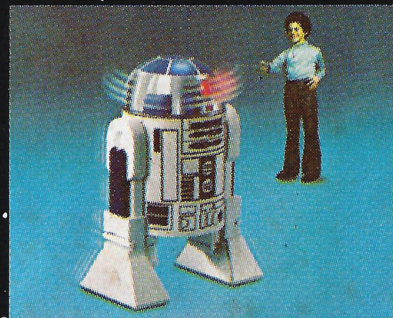

LUKE SKYWALKER™ AM HEADSET RADIO

Styled like Luke Skywalker's™ headset in STAR WARS! Real AM radio receives local AM stations. Completely adjustable with foam padding for the ear. Battery not included.

STAR WARS™

RADIO CONTROL R2-D2™

Authentically styled, he stands 8" high and is controlled by a **completely wire-less** 2-channel radio that operates up to twenty feet away! He moves all four directions . . . chromed head's eye lights up — has electronic beeping sound. **Batteries not included.**

X-WING™ ACES TARGET GAME

Just like a shooting gallery in your own home! Shoot the blaster at the **TIE Fighter** on the screen. See every hit, hear every score! Compete against yourself or with friends. UL approved plug fits standard electrical outlet.

ELECTRONIC LASER BATTLE GAME

First one to reach Death Star™ wins! Players react to random "get ready" and "go" signals. Flashing L. E. D. lights record the scores. Victory is signaled by brilliant sound and light display, including the STAR WARS "theme." Game features 3 speeds, 8 computerized sounds, penalties and bonus wins!

Includes 110-120 Volt AC Adapter. Can also be used with one 9-volt battery, not included.

ESCAPE FROM DEATH STAR™ GAME

The Exciting New STAR WARS Game

A new game of strategy featuring the Stars of STAR WARS: LUKE SKYWALKER™, PRINCESS LEIA™, HAN SOLO™ and CHEWBACCA™. Game includes 17¾" x 17¾" Death Star™ playing board. "Force" cards, four sets of playing pieces and R2-D2 Spinner. Two to Four players.

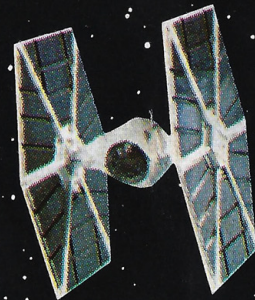

STAR WARS™

DIECAST VEHICLES

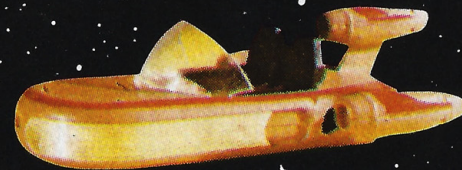

Finely detailed replicas from STAR WARS!
All made of sturdy Diecast Metal and High
Impact Plastic — with moving parts!

X-WING FIGHTER™
The wings and cockpit
really open!

TIE FIGHTER™
Solar Panels and evil Darth
Vader™ are removable!

LAND SPEEDER™
Rolling wheels give the “floating”
motion you saw in the movie!
